"Floribunda" means lots of flowers and that is what these rose bushes will produce in your garden. A constant show of color from huge clusters of large flowers make these accent plants of great value. Plant them singly, in masses or as a hedge or walk edging. You will be proud of their performance in your garden.

## SPARTAN

See description above

**PATENTED CLIMBING ROSES**

Climbing roses quickly cover a wall, fence or arbor. These will give summer privacy or hide an unsightly view. The new Hybrid tea sports are particularly beautiful.

L U C K Y . . . . I F . . . . you haven't purchased your roses for next spring

Here is your copy of our new descriptive rose price list for your convenience when ordering.

We are very proud of our rosefields in Northern California, Washington and Oregon. The growth was extremely heavy and our roses are the finest ever grown.

Oh yes! We must mention that when our roses are graded, they are immediately stored and refrigerated for superior conditioning.

When you order and receive ILGENFRITZ roses, you become the proud possessor of the FINEST ROSES.

IF IT'S PACKAGED ROSES YOU NEED . . . we can offer the best . . . in packages that display well and last longer. Our packages are larger . . . packed with moisture retentive materials that insure the vitality of our roses.

Look over the rose list and make your selection now . . . Protect yourself against possible shortages.

If price is a factor - please call us. We shall be happy to give you the real facts.
